

## The 4 Navaratri's in 2019.

Navaratri is a Hindu festival of worship of Devi Adi Para-Shakti and dance and festivities. The word Navaratri literally means nine nights in Sanskrit, nava meaning nine and ratri meaning nights. During these nine nights and ten days, nine forms of Shakti/Devi Durga are worshipped. It is commonly referred to as Dussehra in India. Navaratri is celebrated four times a year according to India's seasons. They are Poushya/Magha Navaratri, Vasant Navaratri, Ashadha Navaratri, and Sharada MAHA Navaratri. Of these, the Sharada Navaratri and Vasant Navaratri are most important.

Devi Bhagavatam book 3 chapter 27... states “On observing the Navaratri Vratam, one receives from Devi Durga riches, children, grandchildren, prosperity and happiness, longevity, health, heaven and even final beatitude. Those who are desirous of learning, riches or children will get them all if they perform this most auspicious Navaratra ceremony. On the performance of this sacrifice, those that want knowledge and learning receives all that. Those that have not performed the Navaratra ceremony , how can they acquire riches in this world and acquire happiness and peace in their next? There is no other vow superior to this vow in this world' this vow is very holy and will bring unto you lots of happiness.”

Devi devotees who abstain from animal sacrifice perform “symbolic BALI” with vegetables/fruits like bananas, cucumber, white pumpkin, nutmeg and sugar cane.
