

## **Griha Pravesha dates for 2021 for moving into a new house**

Below are the Shukla Paksha (bright/waxing phase of the moon) Vedic days to move into a new house in 2021. While many websites gives a few dates we should be practical in this day in age about when one can move into one's new home. As far as possible try not to move in when it's the Dark phase of the moon which are the dates not given below... But of course if this is not possible then scriptures state doing things according to deshaa-kaala-arthata-tattva-jnah "according to time, place and circumstances" {Srimad Bhagavatam 10.11.22} and this is what I'm trying to relay in this article.

January:- 14th to 28th

February:- 12th to 27th

March:- 14th to 28th

April:- 12th to 26th

May:- 12th to 26th

June:- 11th to 24th

July:- 10th to 23rd

August:- 9th to 22nd

September:- 7th to 20th

Pitar Paksha is from (21st September to 6th October - so one should NOT move into a new home in this period).

October:- 7th to 20th

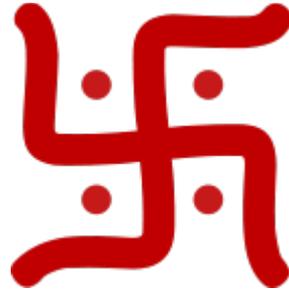

November:- 5th to 19th

December:- 5th to 19th
