

Why does Lord Ganesha's go missing and not worshipped during the Pitar Paksha period?

The information provided below is in most probability never been heard of before by many.

During Ganesh Visarjan (immersion) which will be on the 9th September 2022, the clay or metal Murti of Lord Ganesh will be immersed in water (the ocean or river). This ritual is performed to signify the birth cycle of Lord Ganesh; just as he was created from clay/Earth by his mother Gauri devi, his symbolic murti (deity) is as well. The murti will be immersed in water so that Lord Ganesh may return to his home after his 'stay' at his devotees' home or temple where the Ganesh Chaturthi rituals were conducted.

So lets further delve into this subject matter. After the immersion when it is said that the Lord returns to his home is in actual fact the Lord withdraws himself into the deeper realms of this planet. Here in these approximately 15 days (one Paksha - a period of 15 Vedic days {Tithi}), Lord Ganesh meditates and rejuvenates the much depleted Earths energies. He esp. recharges the 7 main chakra points on this planet (viz. Mt. Shasta in California, Lake Titicaca Peru/Bolivia, Uluru, Ayers Rock in Australia, Mt. Kailas in the Himalayas, etc - view the picture attached below). During the past year (since the final day of 2021 Pitar Paksha - 6th October), the energies of the Earth has been slowly but surely being depleted. Due to Kali Yuga (the Age of strife", "discord", "quarrel" or "contention"), every year it seems that the depletion of the Earth energies is occurring alarmingly more quickly than the previous year. This, of course, is cause for alarm.

So in this period of Pitar Paksha due to Lord Ganesh being unavailable and in meditation to accept worship, Weddings, Katha and Jhanda, Sacred thread ceremonies, Moving into a house, and so forth, are avoided as much as possible. All these prayers need Lord Ganesh to be worshipped first before one can commence with that particular prayer.

It is rather interesting to note that in the daily Tarpan (water of libation) offerings, Lord Brahma, Lord Vishnu, Lord Shiva's and so forth Deity names are chanted but NO Ganesh water mantra offerings are chanted.

Once Pitar Paksha ends (in 2022 it ends on 25th September in Durban, South Africa), Lord Ganesh then returns to the surface of this planet to resume his duties as the chief remover of obstacles.

Now that the Earth planet is positively charged and rejuvenated by Lord Ganesh, when the sun rises in the morning of the 26th September 2022, Mother Durga is welcomed into a positively charged planet, ready to accept Her devotees' worship and prayers. Lord Ganesh cleared the stagnant energies in this planet for his mother whom he holds so dear to his heart. This is why so many devotees feel euphoria on the first morning and subsequent days during Navaratri - all thanks to Lord Ganesh, Mother Gauri's son. Now maybe you may understand what an important and crucial role that Lord Ganesh plays in Sanatan Dharma.

All glories to our dearest Lord Ganesh.
