

Griha Pravesha dates for 2024 for changing residence

Below are the Shukla Paksha (bright/waxing phase of the moon) Vedic days to move into a new house in 2024. While many websites give a few dates we should be practical in this day in age about when one can move into one's new home. As far as possible try not to move in when it's the Dark phase of the moon which are the dates not given below... But of course if this is not possible then scriptures state doing things according to deshaa-kaala-arthata-tattva-jnah "according to time, place and circumstances" {Srimad Bhagavatam 10.11.22} and this is what I'm trying to relay in this article.

January: 12th to 25th

February: 10th to 24th

March: 11th to 25th

May: 8th to 23rd

*** Pitar Paksha is from 17th September to 2nd October. It is NOT auspicious to change residence within this period.
